THE MOTHER GIRL.

She is not a bud of fashion, not a but-
terfly of style,
And there are no bogus trimmings in
the makeup of her smile;
Needs no artificial fixing to enhance
her girlish charms,
And a god would go in raptures o'er
the plumpness of her arms
As she washes up the dishes and the
minutes speed along,
Dancing gaily as they pass her to the
music of her song,
In her eyes a soft expression of a pure
maternal love
That must surely be the envy of those
angels up above.

She's the joy of every home
Underneath your arching dome
Till she gives her heart's affection to
another.

Lucky he who wins the true,
Loving, loyal maiden who
Tries to lift the daily burden from her
mother.

When the weekly toil is over, and she
dons her Sunday gown
There is not a pampered darling on
the earth can turn her down
In the winning game of beauty; not a
fashionable pearl,
Though ablaze with costly jewels, can
outshine the mother girl,
Sweet simplicity is noted in her un-
assuming grace,
And she needs no color touching to put
bloom into her face.

For the blood of health is coursing
through her veins, her rosy blush
Isn't made for the occasion by the deco-
rative brush.

She's the very fairest gem
In our beauty diadem
Search creation and you cannot find
another
On the face of all the earth
That possesses half the worth
Of the girl who lifts the burden from
her mother.

COUNTY CONVENTION.

Meeting at Mayslick of Workers
in the Christian Church.

A few weeks since a number of Minis-
ters of the Christian Churches of this
county held a meeting, at which it was
proposed to hold a county convention
at Mayslick Saturday, August 25th.

The purpose of the convention is to
bring about a closer relationship of the
Churches of the county, the desired re-
sults to be obtained by a general gather-
ing and discussion of subjects of
most interest to members of that de-
nomination.

The good people of Mayslick, well
known for their hospitality, are pre-
paring to entertain the delegates, and it
is hoped that each Church will be well
represented.

It is to be an all day meeting and
one which every worker of the Chris-
tian Church should make an effort to
attend.

A BIG BOUQUET.

Dr. Eustace Newton, Formerly of
This City, Gets One.

Yesterday's Cincinnati Times-Star
pays a deserved compliment to an old
Maysville ballplayer, Dr. Eustace New-
ton, who was one of the star pitchers for
the Maysville Baseball Club.

In speaking of him Manager Allen
says that it is only recently that New-
ton has shown his true form, and his
work has surprised everybody but Man-
ager Allen, Mike Kahoe, who caught
him last season, and Ed. Scott, who was
his running mate last year. Newton
appears to have secured his boasted
control of the ball, the absence of which
so greatly handicapped him in his work
in the spring. In the game against the
Phillies last Saturday he had everything
that a pitcher ever showed, and his good
control was especially noticeable. How-
ever, Newton possesses one quality that
has generally been overlooked. It is
the fast manner in which he works. He
wastes no time in useless posing, and
keeps the ball going over the plate at a
livelier clip than any pitcher in the
business today. The fact that he has
made such a good showing in the games
that he has pitched of late goes a long
way to prove that his style is more ef-
fective than the tedious posings of
Cuppy and others. It seems quite cer-
tain that Newton has come to stay, and
there is no doubt that his style and fast
delivery are highly appreciated by pa-
trons of the game.

Does It Pay To Buy Cheap?

A cheap remedy for coughs and colds is all right
but you want something that will relieve and
cure the more severe and dangerous results of
throat and lung troubles. What shall you do?
Go to a warmer and more regular climate? Yes,
if possible; if not possible for you, then in either
case take the only remedy that has been intro-
duced in all civilized countries with success in re-
solving throat and lung troubles. "Boecher's Ger-
man Syrup." It not only soothes and stimulates the
tissue to destroy the germ disease, but allays in-
flammation, causes easy expectoration, gives a
good night's rest, and cures the patient. Try one
bottle. Recommended many years by all druggists
in the world. For sale by J. C. Peacor.

THE BEE HIVE The Rough Rider Hats

Have met with a splendid reception. They are certainly well adapted for knock-
about wear, with a style about them that gives the wearer a decidedly jaunty ap-
pearance. The various shapes, such as Cavalier, Lawton, Ladysmith, Marl-
borough and Dakota, all to be found in our stock, are absolutely the very latest
and will be most popular for fall wear. They come in many colors. Prices 75c
to \$1.80.

Shirtwaists at Less Than Cost.

We have determined not to carry over any Shirtwaists. Every inducement
will be offered to sell 'em quickly. Prices have been still more reduced, and
whether you need a waist for this or next season's wear it will pay you to buy
now. \$1.50 waists are now 98c; the \$1 kind are 88c; those that were 75c are marked
down to 50c, and so on through the list. They come both white and colored. All
styles.

YOUR ATTENTION!

Is called to our Silk and Dress Goods Department. From now until the fall sea-
son is fairly opened there will be new arrivals in these departments almost every
day. We have already on hand over fifty different fall shades of plain Taffeta
